

HOLME VALLEY MOUNTAIN RESCUE TEAM

NEW HEADQUARTERS APPEAL

HERE'S HOW YOU CAN
HELP US
TO HELP YOU

The Holme Valley Mountain Rescue Team provides search and rescue services for the southern half of West Yorkshire. If you get into difficulties in the outdoors, we are here to help. With outdoor pursuits becoming ever more popular, the Holme Valley Mountain Rescue Team is a vital emergency provision for the region.

We're not only here to help on the moors or crags though - the team is regularly called on to assist other emergency services with missing-person searches and difficult-to-access casualties in rural or even urban areas.

As a voluntary organisation reliant on donations for our existence, we need your help. Marsden Fire Station, where the team is based, has been earmarked for closure and the team has received 12 months notice to move out.

The team is now forced to find a new headquarters in order to continue its vital operations, so we urgently need to raise £250,000 to secure our future.
